Purpose

To define the purchased, grant funded service specification for Miscellaneous for Independent Living.

Definitions

"Miscellaneous" is an independent living service, which pays for needed items, or services related to a youth's Case Plan for Independent Living.

"Service Code" is LL.

"Service Population" means foster care youth between the ages of 16 and 19.

"Service Unit" means one (1) unit or service.

Policy

Provider Qualifications: None

Service Provision Guidelines

- I. Items or services for youth may include work shoes or boots, uniforms, educational/vocational materials or fees, special situations or needs of youth to assist in the transition to adulthood and/or individual memberships in groups or organizations such as exercise classes, structured support groups, or weight control programs.

Payment Procedures

- I. Independent Living Program staff authorizes Miscellaneous for Independent Living by requesting enrollment of the provider, completing the "Service Authorization", and obtaining the Independent Living Program Specialist's signature on Service Authorization.

Practice Guidance

What is the Service Rate for this Service?

- Refer to [Item 2700 Rates](#) (Fiscal Management Chapter, Rates Section) for current rate.
