 <p>NH Department of Health & Human Services Division for Children, Youth & Families</p>	DCYF Standard Operating Procedure	
	2130.3 PREA SPECIFIC TREATMENT PLANNING	
	Policy Directive: 21-17 Effective Date: March 2021 Implements Policy: 2130	Approved:  Joseph E. Ribsam, Jr., DCYF Director

This SOP defines PREA specific circumstances to be addressed in treatment planning when applicable.

Procedure

The following information is to support the implementation of the above referenced policy. This document shall not preclude staff from using their professional judgement based on individual circumstances, consistent with the requirements of the policy.

- I. Specialized interventions included in a treatment plan for a youth victim of sexual abuse include, but are not limited to:
 - A. Specific testing or medical referrals based on the needs of the youth;
 - B. Specified accommodations to support the victim within the facility, including in their education program; and
 - C. Coordination of care with the youth’s primary care physician or community mental health provider (within the confines of HIPAA regulations) as appropriate, to include:
 1. Specific interventions necessary relative to the youth’s medical or mental health needs; and
 2. Necessary follow-up, including any necessary referrals, as appropriate.
- II. Obstetrical and gynecological family planning and health education services will be included in the treatment plan for female youth as needed.
