Family Information Sessions

BDS has developed a webinar series, “Introduction to Direct Bill and Conflict-Free Case Management in New Hampshire’s Developmental Disabilities Service System”, to provide individuals and families an overview of the changes to the service delivery system going into effect on July 1, 2023.

After viewing the series, join BDS staff for in-person question & answer sessions to learn more and ask questions about the changes being implemented and how it will improve the state’s service delivery system.
