AGENDA TOPICS

Time allotted | 15 minutes | Agenda topic Welcome and Roll Call |

Introductions were made of those in the room.

Time allotted | 20 minutes | Agenda topic: Annual Report Update | Presenter Lisa Fontaine-Storez and Jessica Bates

- The official data for the annual report is still being varied for quality assurance.
- Lisa and Jess are still formatting the recommendations for SFY 2022 which include cases of Motor Vehicle Accidents and Suicides.
- In early 2023, the Maternal and Child Health team will be presenting the report to the Health and Human Services Oversight Committee.

At this time, the meeting was put into non-public session at 1:42 pm. Statement read by Vicki Blanchard. Seconded by Catherine Shackford. Vote 16 yes, 0 no.

"I move to enter into non-public session for the purposes of, including but not limited to, discussing matters pertaining to a fatality review during which it is anticipated that information and issues will be discussed which would likely adversely affect the reputation of persons. Further, it is anticipated that there will be discussions about, including but not limited to, documents pertaining to internal personnel practices, confidential information, personnel, medical and other files and information whose disclosure would constitute an invasion of privacy all pursuant to RSA-91-A:3, II © and RSA 91-A:5, IV"

Time allotted | 2 hours 30 Minutes | Agenda topic: Case Reviews: Motor Vehicle Accidents | Presenter Various Members

This portion of the meeting is non-public and the records are sealed.

Meeting has put back into public session at 3:43 pm.

"I move to seal the minutes of the non-public session because the disclosure of those minutes would likely adversely affect the reputation of persons and there was a discussion about, including but not limited to, documents pertaining to internal personnel practices, confidential information, personnel, medical, and any other files and information whose disclosure would constitute an invasion of privacy"

"The minutes are now sealed"

Teen & Young Adult Drug and Alcohol Use

DATA:

- Young Adult **WELL VISITS** lower percentage than other WC visits * **SUD/OD**(Pract. most concerned w/Fent.

(31 % =18-21 years (Medicaid) VS 75.6% Nationwide (NSCH) (Age 19-21 Highest of combined overdoses)
