SUBJECT: Updated and New Vaccine Information Statement (VIS) for **Td and Tdap**

The **Td and Tdap** VIS documents have been updated and are now available. (NHIP was not aware of this updated VIS until after the Quarterly Mailing was sent out.)

Please go to the following website and print new copies to distribute to your patients:
<http://www.cdc.gov/vaccines/pubs/vis/default.htm>.

If you need a clean hard copy of this VIS sent to you in the mail, please contact NHIP at 603-271-4482 or 1-800-852-3345 Ext. 4482 or the email address below.

Vaccine Information Statements (VISs) are information sheets produced by the Centers for Disease Control and Prevention (CDC) that explain to vaccine recipients, their parents, or their legal representatives both the benefits and risks of a vaccine. Federal law requires that VISs be handed out whenever (before each dose) certain vaccinations are given.

PLEASE FORWARD TO
ALL APPROPRIATE PERSONNEL AS SOON AS POSSIBLE
