SUBJECT: Influenza Vaccine Orders Through CDC

The CDC computer system that the NH Immunization Program uses to order Influenza vaccine continues to experience technical difficulties placing your orders. We apologize for any inconvenience that this has caused your practice.

Please be aware that NHIP staff members are working with the Centers for Disease Control and Prevention (CDC) to make sure that you receive the vaccine you need to care for your patients. (McKesson is not involved with this part of the ordering process.) We ask that you bear with us as we continue to work through this problem. We will keep you posted on our progress.

PLEASE FORWARD
TO ALL APPROPRIATE PERSONNEL AS SOON AS POSSIBLE
