

2009 Schedule

NH Bureau of Drug & Alcohol Services—Integration & Training Unit

Initial Training on Addiction

This is an introductory, 6-hour, **no-cost** workshop on addiction designed to raise awareness and understanding of the dynamics and impact of addiction on people whom we serve. It will cover the neurological basis of addiction; mental, behavioral, emotional and spiritual dimensions; stages of change; recovery; motivational techniques and resources.

Learning Objectives

- Describe the neurological process of addiction
- Explain how addiction manifests in various aspects of the whole person (mental, physical, emotional, spiritual)
- Identify the 5 stages of change
- Match intervention strategies to stages
- Access appropriate resources for addressing alcohol and other drug (AOD) concerns
