Re: **Provider Agreement and Other Paperwork**
Provider Choice

Last week, all NH childhood vaccine providers should have received a packet of information from NHIP that includes the Provider Agreement, Provider Profile and additional forms. Please have your completed paperwork back to us by **March 4, 2009**. Send the material to: Lena Boulanger, New Hampshire Immunization Program
 29 Hazen Drive, Concord, NH 03301

The order form and the usage form have changed to reflect new opportunities for your practice. As of today, you may choose the vaccine presentations that your medical providers prefer for the following vaccines:

Rv	Rotarix® from GSK	or	Rotateq® from Merck
Hep A	Havrix® from GSK	or	Vaqta® from Merck
Hep B	Engerix-B® from GSK	or	Recombivax HB® from Merck
DTaP	Infanrix® from GSK	or	Daptacel® from sanofi
Tdap	Boostrix® from GSK	or	Adacel® from sanofi

It is important to note that once you decide which presentation to order, NHIP will expect that you remain consistent in your ordering as to avoid medical errors. **In the future, if you decide to order the alternate vaccine, a memo to NHIP, via fax, will be required.**

PLEASE FORWARD TO
ALL APPROPRIATE PERSONNEL AS SOON AS POSSIBLE
