**PLEASE NOTE:** If any of your contact information has changed recently, please inform this office. The Health Officer term is for three (3) years. If your Health Officer changes and their predecessor's term is still in effect, notification in writing (or via email from said Health Officer) stating that he/she has resigned, is required. This is necessary before we can appoint a replacement. Deputy Health Officer terms have no expiration date, so this office needs to be kept informed of their status as well. Please feel free to contact Janice at the email address below if you have any questions.

For edits/corrections email: [jsouthwick@dhhs.state.nh.us](mailto:jsouthwick@dhhs.state.nh.us). FYI, please note that the address and phone number listed above are where you want the public to be able to contact their Health Officer. Note: \* means there's been a change in the information listed for that Town since the last list was issued. For example, it could be the Health Officer's name, contact address or phone number.
