**Family Planning (FP) Performance Measure #7**

**Community Partnership Report**

Definition: This measure calls for face-to-face meetings with agencies or individuals intended to increase linkages between the family planning program and key partners in the community. Outreach efforts should include: (1) learning about the partner agency (2) informing the partner agency about family planning services and (3) identifying areas where linkages can be established. The most effective outreach is targeted to a specific audience and/or purpose and is directed based on identified needs. All sites are required to make one contact annually with the local DCYF office. **Please be very specific in describing the outcomes of the linkages you were able to establish.**
