

NH Granite State Employment Project
Work Incentives Infrastructure Development

Meeting AGENDA

September 29, 2009

1. Look at a framework for implementation and "what works" for training and technical support - Denise Sleeper and Sheila Lambert
2. Review the ideas for a Virtual WI Resource Center generated at the August meeting-
3. Generate a list of resources that already exist (Resource map) Attached is a template for this exercise)
4. Develop several next steps for the MIG to move towards creating this resource-
