Michael Kalinowski will share results of the recently completed New Hampshire Child Care Market Rate Survey. Michael will provide a picture of NH child care and early education over the past 15 years, and will review rates and regional differences, identify trends and discuss the impact of the economy on programs. Come find out how your participation in this survey affects reimbursement rates to child care providers.

*A drawing will be held for a limited number of gift cards to Dunkin Donuts, Starbucks, Market Basket, Hannaford, Barnes & Noble, Best Buy, Irving, and Staples to be given away to child care providers attending this presentation.*
