| 3/30/17 | DPHS-Concord | 9:30-11:00 a.m. | Vaccine Ordering and Management System (VOMS) | |

COURSE DESCRIPTIONS:

Vaccine Management: Mandatory for Vaccine Managers that have not had a one-on-one training by NHIP staff. It is also recommended for any staff needing a refresher or knowledge in vaccine management.

Vaccine Ordering and Management System (VOMS): Required for staff responsible for vaccine ordering, reporting vaccine usage and maintaining vaccine inventory. It is also available for staff requiring a refresher. NHIP recommends that at least two staff attend the VOMS training in each office.

REGISTRATION:

To register for either course, fax your completed registration form to 603.271.3850. Upon receipt of your registration form, a confirmation email will be sent.
