10:00 am - 12 noon

**Where: State Office Campus**  
Brown Building Auditorium  
129 Pleasant Street  
Concord, New Hampshire

**Parking for both sessions: Brown Building Garage, upper levels**

Step 2 of the New Hampshire Medicaid Care Management Program includes the integration of Choices for Independence (CFI) waiver services, targeted to begin in January 2016. It is important that CFI providers enroll with both health plans to ensure continuity of care for CFI recipients. For assistance with joining the health plans' networks, the NH Department of Health and Human Services (DHHS) is hosting the above two meetings in August. Case management service providers are invited to attend either session.

**Topics To Be Discussed**

New Hampshire Healthy Families and the Well Sense Health Plan will give instructions on how to join their networks and outline what is involved in the contracting process. Each meeting will be followed with a Q&A session and an opportunity to meet individually with the health plans' staff. Providers are welcome to submit their questions about the contracting process, in advance, to the Department at: [mcmstep2phase1@dhhs.state.nh.us](mailto:mcmstep2phase1@dhhs.state.nh.us).

**Registration**

To register for the session, please call or email Kelly Cote, in the Office of Medicaid Business and Policy, at 603-271-9422 or [kmcote@dhhs.state.nh.us](mailto:kmcote@dhhs.state.nh.us). Please provide the following information: your name, organization, date of session you will attend, and your email address.
