---

**TO:** New Hampshire Medicaid Providers  
**FROM:** New Hampshire Department of Health and Human Services  
**DATE:** December 2, 2010  
**SUBJECT:** New Hampshire Medicaid Diabetic Supply Program

---

The State of New Hampshire, Department of Health and Human Services, has contracted with Magellan Health Services to manage a NH Medicaid diabetic supplies program. For this initiative, Magellan Medicaid Administration has retained two companies – Abbott Diabetes Care, Inc. and Roche Diagnostics Corporation – to be preferred providers of blood glucose monitors and strips effective **January 3, 2011**. This program applies to all NH Medicaid recipients without other insurance or Medicare coverage.

Recipients who are not already using preferred Abbott and Roche products must switch to one of the preferred monitors and accompanying strips beginning January 3, 2011. New Hampshire Medicaid will no longer cover test strips for non-preferred monitors **after February 1, 2011** unless the recipient's physician has requested an override through Magellan Medicaid Administration.

Beginning **January 3, 2011**, New Hampshire Medicaid will cover only the following blood glucose monitors:

Abbott Diabetes Care, Inc.:

*FREESTYLE LITE®*  
*FREESTYLE FREEDOM® LITE*  
*PRECISION XTRA®*

Roche Diagnostics Corporation

*ACCU-CHEK COMPACT®*  
*ACCU-CHEK AVIVA®*  
*ACCU-CHEK ADVANTAGE®*  
*ACCU-CHEK ACTIVE®*

Both Abbott Diabetes Care and Roche will be available to assist you with options to help recipients obtain one of these preferred monitors. For product training, contact:
