Dear Ms. Fournier,

Please accept this letter of intent to express Community Partners' interest in participating in the NH's Delivery System Reform Incentive Program Waiver.

We intend to submit a proposal to serve as the Administrative Lead organization for the proposed Integrated Delivery Network (IDN) currently identified as the Seacoast & Strafford Regional Network (#6). It is our preference that the state divide region 6 into our traditional geographic catchments. Testimony was submitted explaining our rationale.

Please find enclosed the preliminary, non-binding, IDN partnering providers list and statement confirming preliminary conversations.

Please contact me directly if you have any questions. I can be reached at 516-9300 or by email at [bcollins@communitypartnersnh.org](mailto:bcollins@communitypartnersnh.org).

Sincerely,

Brian Collins  
Executive Director
