The Honorable Steven Shurtleff
State House Room 311
107 North Main Street
Concord, NH 03301

Dear Senator Soucy and Representative Shurtleff:

In accordance with RSA 186-C:25, VII, the Department of Health and Human Services (Department) is providing this annual report on the Medicaid to Schools (MTS) program. During Fiscal Year 2019, the total statewide reimbursement through the MTS program was \$26,379,998 of federal financial participation funds for services provided to 10,498 students. A list of the school districts and/or School Administrative Units (n=172) enrolled as Medicaid providers and seeking reimbursement during this period is enclosed. Currently only eight (8) school districts/SAUs do not participate in Medicaid to Schools.

The Department is currently working with the Department of Education (DOE) and stakeholders from around the state to make changes to the Medicaid to Schools' Program. Based on recent guidance received from the Centers for Medicare and Medicaid Services (CMS), the Department implemented emergency rules (attached) to ensure adequate reimbursement mechanisms are in place for the 2019/2020 school year while the Department works to make other necessary changes to the program, which will be incorporated into permanent rulemaking. These changes will align Medicaid to Schools with the NH Medicaid State Plan, allowing for the Department to come into compliance and exploring reimbursement in areas not previously contemplated.

If you have any questions concerning this report or the information provided, please contact myself, or Jane Hybsch, Administrator, Medicaid Medical Services Unit at (603) 271-9423 or by email at Jane.Hybsch@dhhs.nh.gov.

Sincerely,

Jeffrey A. Meyers
Commissioner

Enclosure
