

ADDENDUM #1

On February 28, 2017, the New Hampshire Department of Health and Human Services published a request for applications from Vendors to provide services to individuals statewide with acquired brain injuries and their families. The Vendor will work in collaboration with the Bureau of Developmental Services (BDS). Services include but are not limited to neuro-resource facilitation, information and referrals, support for peer and family support groups, publication of a resource directory, implementation of monthly brain injury trainings, hospital outreach and development of hospital discharge planning clinics.

The Department is publishing this addendum to:

1. Delete and replace Section 4, Reporting, with the following:

4. Reporting

- 4.1** The Vendor will submit quarterly reports to DHHS on the activities outlined in Appendix D, Breakdown of Services by Cost.
- 4.2** The Vendor will maintain records pertaining to contract activities.

2. Delete and replace Section 7, Procurement Timeline, with the following:

7. Procurement Timeline

Item	Action	Date
1.	Release of RFA	02/28/2017
