

## ADDENDUM #2

On August 14, 2020, the New Hampshire Department of Health and Human Services published a Request for Applications (RFA), requesting applications for vendors to implement and administer medical, psychological, and/or psychiatric consultative services to evaluate claims of disability.

**Pursuant to Section 2.9 of RFA-2021-DEHS-02-DISAB, the Department hereby cancels this RFA. Should the Department issue an RFA for the same services as described in RFA-2021-DEHS-02-DISAB, potential bidders shall be notified via the same process as the previous RFA.**
