

OFFICIAL RESPONSES TO VENDOR QUESTIONS

Primary Care Services – RFP-2018-DPHS-15-PRIMA

No.	Question	Answer
1.	Section 4.1: Is the amount of funding defined in the RFP (\$6,125,168) over a period of two (2) years (i.e. \$3,062,584/yr) or is the amount listed for each year?	The anticipated amount of funding is \$6,125,168 for the two (2) year program.
2.	Section 4.1: Is there a funding formula determined for how DPHS will decide to allocate the available dollars? (Example: size/number of patients served or overall percentage of uninsured seen?)	The amount allocated to individual vendors will be determined as a component of vendor selection.
3.	Section 7.2.2.6: Are we allowed to use our current DHHS contracts (BEAS, Dental, Family Planning) as references?	Please reference relevant information about at least three (3) similar or related contracts or subcontracts.
4.	Section 3.3 and Section 7.2.2.7: Do we need to submit a resume for every individual on the personnel sheet?	Please provide a resume for all staff who will provide services required in the RFP.
5.	Section 7.2.2.9: Do we need to submit a license for every individual on the personnel sheet?	Please provide licenses for all staff who will provide services requiring licensing as required in the RFP.
6.	Section 3.3.2: Please define “medical services director” and specify what special training this person should have.	A Medical Services Director directs administrative and medical services, through the establishment of policy, standards, monitoring and management. They are responsible for overseeing operations of practice units and ensuring adherence to established goals, objectives and standards of care. They provide leadership, direction and guidance to medical and

No.	Question	Answer
		administrative staff.
7.	General: When can we expect the modifiable forms and appendices to be sent?	Upon receipt of email request
8.	Section 5.1: Will the State release/post Exhibit B, which is referenced in Appendix B, Page 2, Section 5.1 Contract Price/Price Limitation Payment?	Exhibit B will be written as a component of the contract(s), following vendor selection.
9.	Section 4.1: Could the State more specifically detail the estimated amount each bidder might receive of the \$6,125,168?	See Question # 2.
