Any information submitted as part of a bid in response to this RFP may be subject to public disclosure under RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (www.nh.gov/transparentnh). Accordingly, business financial information and proprietary information such as trade secrets, business and financial models and forecasts, and proprietary formulas may be exempt from public disclosure under RSA 91-A:5, IV.

Insofar as a Bidder seeks to maintain the confidentiality of its confidential commercial, financial or personnel information, the Bidder must clearly identify in writing the information it claims to be confidential and explain the reasons such information should be considered confidential. This should be done by separate letter identifying by page
number and proposal section number the specific information the Bidder claims to be exempt from public disclosure pursuant to RSA 91-A:5.

Each Bidder acknowledges that DHHS is subject to the Right-to-Know Law New Hampshire RSA Chapter 91-A. DHHS shall maintain the confidentiality of the identified confidential information insofar as it is consistent with applicable laws or regulations, including but not limited to New Hampshire RSA Chapter 91-A. In the event DHHS receives a request for the information identified by a Bidder as confidential, DHHS shall notify the Bidder and specify the date DHHS intends to release the requested information. Any effort to prohibit or enjoin the release of the information shall be the Bidder’s responsibility and at the Bidder’s sole expense. If the Bidder fails to obtain a court order enjoining the disclosure, DHHS may release the information on the date DHHS specified in its notice to the Bidder without incurring any liability to the Bidder.

Notwithstanding any other provision of this RFP, this RFP does not commit DHHS to award a Contract. DHHS reserves the right to reject any and all proposals or any portions thereof, at any time and to cancel this RFP and to solicit new proposals under a new bid process.

6.15. Liability

By submitting a Letter of Intent to submit a proposal in response to this RFP, a Bidder agrees that in no event shall the State be either responsible for or held liable for any costs incurred by a Bidder in the preparation or submittal of or otherwise in connection with a proposal, or for work performed prior to the Effective Date of a resulting contract.

6.16. Request for Additional Information or Materials

During the period from date of proposal submission to the date of vendor selection, DHHS may request of any Bidder additional information or materials needed to clarify information presented in the proposal. Such a request will be issued in writing and will not provide a Bidder with an opportunity to change, extend, or otherwise amend its proposal in intent or substance. Key personnel shall be available for interviews.

6.17. Oral Presentations and Discussions

DHHS reserves the right to require some or all Bidders to make oral presentations of their proposal. Any and all costs associated with an oral presentation shall be borne entirely by the Bidder. Bidders may be requested to provide demonstrations of any proposed automated systems. Such a request will be in writing and will not provide a Bidder with an opportunity to change, extend, or otherwise amend its proposal in intent or substance.
6.18. Contract Negotiations and Unsuccessful Bidder Notice

If a Bidder(s) is selected, the State will notify the Successful Bidder(s) in writing of their selection and the State’s desire to enter into contract negotiations. Until the State successfully completes negotiations with the selected Bidder(s), all submitted Proposals remain eligible for selection by the State. In the event contract negotiations are unsuccessful with the selected Bidder(s), the evaluation team may recommend another Bidder(s).

In accordance with New Hampshire Statutes Chapter 21-I:13-a, no information shall be available to the public, the members of the general court or its staff, notwithstanding the provisions of RSA 91-A:4, concerning specific invitations to bid or other proposals for public bids, from the time the invitation or proposal is made public until the bid is actually awarded, in order to protect the integrity of the public bidding process. This means unsuccessful Bidders shall not be notified until after the Governor and Executive Council have approved the selected bid awards. No information can be provided to non-selected Bidders until after contracts are awarded, at which time non-selected Bidders may submit a written request for more information about the reasons for not being selected and recommendations that may make future proposals more effective. Such requests are not considered appeals. Once a Bidder has submitted a letter, DHHS will attempt to accommodate such requests within a reasonable time.

6.19. Scope of Award and Contract Award Notice

DHHS reserves the right to award a service, part of a service, group of services, or total proposal and to reject any and all proposals in whole or in part. The notice of the intended contract award will be sent by certified mail or overnight mail to the selected Bidder. A contract award is contingent on approval by the Governor and Executive Council.

If a Contract is awarded, the Bidder must obtain written consent from the State before any public announcement or news release is issued pertaining to any Contract award.

6.20. Site Visits

DHHS reserves the right to request a site visit for DHHS Staff to review Vendor’s organization structure, subcontractors, policy and procedures, and any other aspect of the proposal that directly affects the provisions of the RFP and the delivery of services. Any and all costs associated with the site visits incurred by the Bidder shall be borne by the Bidder.

Prior to implementation, DHHS reserves the right to make a pre-delegation audit by DHHS staff to the Bidders site to determine that the Bidder is prepared to initiate required activities. Any and all costs associated with this pre-delegation visit shall be borne by the Bidder.
6.21. Protest of Intended Award

Any protests of intended award or otherwise related to the RFP, shall be governed by the appropriate State requirements and procedures and the terms of this RFP. In the event that a legal action is brought challenging the RFP and selection process, and in the event that the State of New Hampshire prevails, the Bidder agrees to pay all expenses of such action, including attorney’s fees and costs at all stages of litigations. Legal action shall include administrative proceedings.

8. MANDATORY BUSINESS SPECIFICATIONS

8.1. Contract Terms, Conditions and Penalties, Forms

The State of New Hampshire sample contract is attached; Bidder to agree to minimum requirement as set forth in the Appendix B.

The Department and the selected Vendor agree that the actual damages that the Department will sustain in the event the selected Vendor fails to maintain the required performance standards throughout the life of the contract will be uncertain in amount and difficult and impracticable to determine. The selected Vendor acknowledges and agrees that any failure to achieve required performance levels by the selected Vendor will more than likely substantially delay and disrupt the Department’s operations. Therefore the parties agree that liquidated damages shall be determined as part of the contract specifications.
Assessment of liquidated damages shall be in addition to, and not in lieu of, such other remedies as may be available to the Department. Except and to the extent expressly provided herein, the Department shall be entitled to recover liquidated damages applicable to any given incident.

The Department will determine compliance and assessment of liquidated damages as often as it deems reasonable necessary to ensure required performance standards are met. Amounts due the State as liquidated damages may be deducted by the State from any fees payable to the selected Vendor and any amount outstanding over and above the amounts deducted from the invoice will be promptly tendered by check from the selected Vendor to the State.

The State intends to negotiate with the awarded Vendor to include liquidated damages in the Contract in the event any deliverables are not met.

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;
7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder.
