

**New Hampshire Department of Health and Human Services
Oral Health Promotion Partner**

ADDENDUM #1

On October 9, 2018 the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting proposals for the provision of Oral Health Promotion Partner services for the Oral Health Program in order to implement activities funded through federal grants that include school-based and community-based dental programs; dental centers for dental screenings, fluoride treatments and referrals to services for individuals in substance use disorder treatment programs; assisting with project management for Health Resources and Services Administration Oral Health Workforce grant; assisting with activities that will increase the reach of school-based oral health programs serving schools with student participation rates of 50% or more in the Free and Reduced Lunch program; and assisting with the Third Grade Survey.

The Department is publishing this addendum to:

- 1. Delete and replace the Table of Contents with the attached Addendum #1 Table of Contents**
- 2. Delete and replace Section 3, Statement of Work, Paragraph 3.2, Scope of Services, sub-paragraph 3.2.1.2, with the following:**
 - 3.2.1.2. Create contracts/agreements with selected entities to provide services through August 31, 2021, with options to renew services for up to three (3) additional years.

Addendum #1
