

ADDENDUM #1

RFP-2022-DPHS-11-INFEC

*(Changes in text of the RFP appear in **bold, italicized and underlined text** in order that readers can easily depict changes associated with this Addendum.)*

On August 20, 2021, the New Hampshire Department of Health and Human Services published a Request for an Infection Prevention and Control (IPC) training plan that delivers statewide training opportunities to healthcare workers at the local level, utilizing the Centers for Disease Control and Prevention (CDC) Project Firstline curriculum, through in-person or online trainings.

The Department is seeking a vendor who can:

- Collaborate with the Department to determine training needs of staff in health care settings.
- Identify training methods to be utilized for various staff with minimal impact on service delivery.
- Identify local trainers to assist with the delivery of training to staff in healthcare settings at various professional levels.

The Department is publishing this addendum to:

1. Delete and replace Section 9, Additional Information, with the following:

9. ADDITIONAL INFORMATION

9.1. Appendix A – Form P-37 General Provisions and Standard Exhibits

9.2. Appendix B – Contract Monitoring Provisions

9.3. Appendix C – CLAS Requirements

9.4. Appendix D – Budget Sheet (Excel version in document library)

9.5. Appendix E – Program Staff List (Excel version in document library)

9.6. Appendix F - Project Firstline New Hampshire: Learning Needs Assessment
