Emergency Services

Emergency Services (“ES”) are available to anyone in the state 24/7 who is at risk of harm to themselves or others, or is experiencing a behavioral health crisis. Services can be provided over the phone or in person (in an office during business hours, most likely at a hospital after hours) by a mental health professional. ES is often the gateway to further services following the initial contact. If you are in immediate risk of suicide, in addition to calling ES, you can also call the National Suicide Prevention Lifeline at 1 800 273 TALK (8255).

Mobile Crisis Response Teams

Mobile Crisis Response Teams (MCRT) respond to what individuals define as a “crisis” in the community. The triage line will assess the best route for response and when appropriate, teams are sent to meet people in the community or, if the individual chooses, at a MCRT site. MCRTs are available 24/7 and staffed by clinicians, Peer Specialists, and medical providers are available for consult. All have crisis apartments that are available for up to 7 days.

Peer Support Agencies

Peer support consists of supportive interactions based on shared experience among people and are intended to assist people to understand their potential to achieve their personal goals. Peer support agencies accomplish this by providing choice, using non-medical approaches to help, sharing decision making, encouraging informed decision making about all aspects of people's lives, challenging perceived self-limitations, etc. Services include, but are not limited to: face-to-face and telephone peer support; outreach; monthly educational events; activities that promote self-advocacy; wellness training; after hours warm line; crisis respite (24 hours, short-term, non-medical crisis program).
