RE: Opioid Litigation Settlement Fund Distribution

Dear Commissioner Shibinette:

The City of Nashua received a 6.57% share of the Opioid Abatement Trust Fund Distribution in the amount of \$27,223.40 on June 30, 2021. According to RSA 126-A:84, we are required to provide a report to NH DHHS on how we spent these funds on or before September 1, 2021.

The City of Nashua is in receipt of these funds and has not yet spent the \$27,223.40. The City of Nashua is in the process of planning how to best utilize these funds. Please let me know if there is any additional information that you need.

Thank you,
