

What is All This Talk About Conflict Free Case Management and What Does It Mean to You?

A federal mandate requires that all states that provide Medicaid Funded Home and Community Based Services are done in a way that is conflict free- which means that the direct services provider cannot also be the provider of case management services.

This presentation will describe

- *the rule*
- *how we are moving forward*
- *what this means for individuals and families*
- *how they can become involved and stay informed.*

'Conflict free' means that the direct services provider cannot also be the provider of case management services. This session will describe the rule, how we are moving forward, and what this means for individuals and families.
