### **Definition Excerpts from FY18 CoC Program NOFA – see full NOFA for additional information**

1. DedicatedPLUS is a new participant eligibility category for new and renewal PSH that can serve individuals with a disability and families in which one adult or child has a disability, including unaccompanied youth with a disability that are:
  - Experiencing chronically homeless;
  - Residing in transitional housing (TH) that will be eliminated in FY17 and were experiencing chronically homelessness at TH entry;
  - In place not meant for human habitation, shelter or safe haven BUT were experiencing chronically homelessness AND had been in permanent housing (PH) project within last year and were unable to maintain housing placement ;
  - Residing in TH funded by Joint TH-RRH component project AND were experiencing chronically homelessness prior to entering the project;
  - In place not meant for human habitation, shelter or safe haven for at least 12 months in the last 3 years BUT has not done so on four separate occasions ; OR
  - In a Department of Veteran Affairs (VA)-funded homeless assistance program AND met one of the above at initial intake to the VA homeless assistance system.
2. Housing First prioritizes rapid placement and stabilization in permanent housing and does not have service participation requirements or preconditions. CoC Program funded projects should help individuals and families move quickly into permanent housing, and the CoC should measure and help projects reduce the length of time people experience homelessness. Additionally, CoCs should engage landlords and property owners, remove barriers to entry, and adopt client-centered service methods.
3. *Joint TH and PH-RRH Component Project.* The Joint TH and PH-RRH component project includes two existing program components—TH and RRH—in a single project to serve individuals and families experiencing homelessness. If funded, HUD will limit eligible costs as follows:
  - 1) capital costs (i.e., new construction, rehabilitation, or acquisition), leasing of a structure or units, and operating costs to provide transitional housing;
  - (2) short- or medium-term tenant-based rental assistance on behalf of program participants to pay for the rapid rehousing portion of the project;
  - (3) supportive services;
  - (4) HMIS; and
  - (5) project administrative costs.

When a program participant is enrolled in a Joint TH and PH-RRH component project, the recipient or subrecipient must be able to provide both components, including the units supported by the transitional housing component and the tenant-based rental assistance and services provided through the PH-RRH component, to all participants. A program participant may choose to receive only the transitional housing unit or the assistance provided through the PH-RRH component, but the recipient or subrecipient must make both types of assistance available.

#### 4. Rapid Re-housing (RRH)

- Residing in places not meant for human habitation or emergency shelter
- Fleeing DV or other persons meeting criteria of paragraph (4) of definition of homelessness
- In a TH project to be eliminated in FY18
- In TH funded by a TH-RRH
- Receiving services through VA-funded homeless assistance program AND met one of the above at initial intake to the VA homeless assistance system
