INFORMATION ABOUT THE ANNUAL FEE FOR SUPPORT ENFORCEMENT SERVICES

Federal and state law require the New Hampshire Bureau of Child Support Services (BCSS) collect a $35.00 annual fee on all Child Support cases enforced by BCSS that meet the following conditions:

1. The Obligee has never received Temporary Assistance to Needy Families (TANF), Tribal TANF, or Aid to Families with Dependent Children (AFDC), from the State of New Hampshire, or any other state, on behalf of minor children; and

2. More than $550.00 has been paid to the Obligee during the current Federal Fiscal Year. The Federal Fiscal Year starts October 1 and runs through September 30.

Who pays the fee?

Under New Hampshire state law, BCSS will collect the fee from the Obligee by keeping $35.00 of the support collected after BCSS disburses the first $550.00 of collections each Federal Fiscal Year (FFY). Once the fee is collected (each FFY), BCSS will send the Obligee all remaining support collected for the remainder of the FFY. Please DO NOT send the payment to BCSS, it will be deducted from your collections, but only after the $550.00 threshold has been met.

The parent paying child support will receive full credit against the support obligation for the payment BCSS retains and applies to the fee.

If I have more than one case, is a fee due on each case?

Yes. If the Obligee receives child support from more than one Obligor, the $35.00 fee will be collected for each case that meets the criteria listed in numbers 1 and 2 above.

What if I do not receive $550.00 in a FFY?

BCSS will not charge a fee in any year that the case does not receive at least $550.00 in disbursements to the Obligee. If a collection is more than $550.00, but less than $585.00 in a FFY, DCSS will only collect the amount above $550.00. EXAMPLE: Total collection in FFY 2017 is $560.00. DCSS will only retain $10.00 in FFY 2017. In FFY 2018, the total collection is $5,000.00. BCSS will only retain $35.00 in 2018.

Your Responsibilities:

If you can provide documentation that you received TANF, Tribal TANF, or AFDC for minor children from another state, BCSS may be able to exempt you from paying the fee or refund the fee if it has already been collected. If you do not provide proof you received TANF, Tribal TANF, or AFDC, BCSS may charge the fee until such proof is provided.
