

## DFA PROGRAM NET\* MONTHLY INCOME LIMITS

**\*Note:** You must give us your gross income. Each program may have certain “disregards” and “deductions” that are allowed. We subtract these disregards and deductions from your gross income to come up with a program-specific figure that we call your “net” income. Your “net” income is then compared against the income limits below. You can also go to <https://nheasy.nh.gov/> for a quick and easy way to see if you might be eligible.
