## AGENDA TOPICS

### | Agenda topic *Introductions* |

After Marc read the Governor's State of Emergency announcement, introductions took place. After introductions, the meeting was placed into non-public session. Roll Call Vote was taken and all members present agreed with the motion.

### | Agenda topic *Drowning Webinar Recap and Recommendations from previous meeting* | Presenter *Deb Samaha*

Discussed that there is a lack of State oversight of private pools. We were unable to get anyone from the state to attend the meeting of the committee to give an overview about residential pool guidelines and regulations.

For water safety information and materials please contact Deb Samaha.
