NH DHHS Daily Update on COVID-19 – March 12, 2020

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update for March 12, 2020, on the new coronavirus, COVID-19. DHHS will continue to issue COVID-19 updates each day to provide media and the public with current information about the State’s efforts.

What’s New

- [DHHS Announces Sixth Presumptive Positive Case of COVID-19](#)

DHHS announces a sixth presumptive positive test result for COVID-19, the disease caused by the novel coronavirus. The patient is an adult from Rockingham County, who had recently traveled to Europe. The individual has remained at home since returning from travel, and all of the person’s close contacts are in self-isolation.

- [Residents Can Contact NH 2-1-1 for information and resources on COVID-19](#)

New Hampshire residents who have concerns about COVID-19 can call 2-1-1. Information and referral specialists are on hand to direct people to the appropriate resources. NH 2-1-1 is available 24 hours a day, 365 days a year. Outside of New Hampshire, call 1-866-444-4211.
