

**New Hampshire Division of Public Health Services
Tickborne Disease Lesson Plan Feedback Questionnaire**
Lesson Plan Title: _____

Please review the lesson and accompanying lesson plan and respond to the following questions.

1.) Is the suggested grade level appropriate? If not, please suggest a more appropriate grade level, and explain why.

2.) Is the suggested duration appropriate? If not, please suggest a more appropriate duration (depending on the lesson, each section in the procedure may have its own suggestion duration).

3.) Are the objectives clear based on the description of the lesson and the grade level? If not, please explain. Should any additional objectives be included?

4.) Does the procedure provide enough detail?

5.) Do the listed standards align well with the lesson? Are there any other standards addressed in the lesson that are not listed? Are there any standards listed that the lesson does not address?

6.) Are there any areas in the lesson/lesson plan that are not clear or have potential to cause confusion?

7.) Please comment on the strengths of the lesson/lesson plan.

8.) Please comment on the weaknesses of the lesson/lesson plan.

9.) Please provide any additional suggestions, comments, and/or questions related to this lesson/lesson plan.

Please send completed forms by fax to (603)271-0545, or by email to: vectorborneNH@dhhs.nh.gov.
