		89.7%	10.3%	7.6%	0.2%		
7th Grade	856	803	53	43	4		
		93.8%	6.2%	5.0%	0.5%		

*UP-TO-DATE totals contain medical and religious exemption totals.

**CONDITIONALLY ENROLLED is defined as having documentation of at least one dose of each required vaccine and an appointment date for the next due dose(s) of the required vaccine(s). Conditionally enrolled students are not considered up-to-date.

***Children who meet the requirements for medical and religious exemptions, as stated above, are considered up-to-date as they have met the school immunization requirements, even though these children are not fully immunized with all the school required vaccines.

Chapter 141-C COMMUNICABLE DISEASE 141-C:20-c Exemptions. - A child shall be exempt from immunization if:

I. A physician licensed under RSA 329, or a physician exempted under RSA 329:21, III, certifies that immunization against a particular disease may be detrimental to the child's health. The exemption shall exist only for the length of time, in the opinion of the physician, such immunization would be detrimental to the child. An exemption from immunization for one disease shall not affect other required immunizations.

II. A parent or legal guardian objects to immunization because of religious beliefs. The parent or legal guardian shall sign a notarized form stating that the child has not been immunized because of religious beliefs.

NOTE: All data in this report are based upon information provided to the New Hampshire Department of Health and Human Services under specific legislative authority. The department is not responsible for any duplication or misrepresentation of data released in this report.

The data for this report was collected electronically. Deadline for submission of the data for this report was November 15, 2015, and is a point-in-time reporting of data.

Total schools sent report: 615 (public: 484; private: 131).

Total schools responding: 610 (public: 483; private: 127).

Total schools nonresponding: 5 (public: 1; private: 4).
