During a disaster or public health emergency, the State agency may request to implement existing WIC regulatory and programmatic flexibilities to support the continuation of Program benefits and services. The State agency must provide a detailed description of how it plans to operationalize the flexibility through their procedure manual where applicable. Please note that State Plans Guidance is not intended to [include/capture] a description of waivers authorized by Congress with separate [reporting requirements and times frames/terms and conditions],i.e., the Families First Coronavirus Response Act (P.L. 116-127).
