***Re: INFORMATIONAL ITEM: Health and Human Services Dashboard – Modified***

## **Information**

The Department of Health and Human Services (DHHS) hereby submits as an information item the Department's monthly dashboard, in a modified format, for data as of May 31, 2017 (SFY 17).

## **Explanation**

As a result of the budget workload, especially during the Committee of Conference, the Department is submitting a modified dashboard that contains updated caseload data through May 31, 2017, and a high level financial summary. At the next Fiscal Committee meeting the Department will present a full fiscal year summary of the financial performance and lapse for the fiscal year ending June 30, 2017.

The Department is, at present, not expecting to end SFY 17 in a deficit position. The deficit of \$66.5 million, as reflected in our prior monthly dashboards, was primarily the result of shortfalls in the Medicaid program. As of today, the Department has covered the deficit through a transfer of funds that would have otherwise lapsed \$34.2 million and through a supplemental appropriation of \$33.2 million from HB 629.

The following page is a summary of the projected deficit and how it was alleviated before the end of the fiscal year.
