Re: INFORMATIONAL ITEM: Health and Human Services Dashboard SFY18

Information

The Department of Health and Human Services (DHHS) hereby submits as an information item the Department's monthly dashboard in order to inform the legislature and the public on the current status of the utilization of the Department's programs and services and the related implications for the Department's budget. Please note that caseload information contained herein is current through June 30, 2018 (SFY 18); the financial position is estimated as of June 30, 2018 as the fiscal close will not be complete until July 20, 2018.

Explanation

	Total Potential Lapse	\$ 14,800	

Medicaid: CHIP Reauthorization: As a result of the reauthorization of the Children’s Health Insurance Program as part of the latest Congressional Budget Continuing Resolution, the state will receive approximately \$22.8 million in unbudgeted revenue in SFY 18. At the June Fiscal Committee meeting, \$20.1m was moved to the Excess Appropriation Allocation Account (EAAA).

Additional Medicaid Revenue: The recently completed single state audit for SFY 2017 has confirmed the reorganization of \$26.3 million in earned Medicaid revenue for SFY 2017 that had initially been deferred. These monies were lapsed from the Department by the Department of Administrative Services May 14, 2018.

Developmental Disability (DD) Waitlist

At the start of SFY18, the Waiting List was 227 people, which included students transitioning from school, those newly eligible, and those requiring additional services. For the period ending April 30, 2018, the number of people waiting for services is 209. Of the total 209 people waiting for services, 7 are students transitioning into the adult service system, 44 are people newly eligible for services, and 158 are receiving some level of services and have requested additional services. As expected, this number has continued to increase slightly over the last few months. The Area Agencies have focused, when possible, on providing services to students leaving the school system; this number and the number of those newly eligible waiting for services has remained consistent over the last few months. Current New Hampshire law, however, does not allow the Department to require the Area Agencies to prioritize the students transitioning into the adult system.

The approved budget significantly increased funding for DD services. The Area Agencies will be serving at least 295 people during the SFY 2018 which is 28 more people served than anticipated. An additional 20 people were served with vacancy dollars. With the original appropriation an additional 214 people will be served in SFY 2019 for a total of 509 people in the Biennium with Wait List dollars. The need for the Biennium is projected to be 825 people needing services. Through SB 590, the Legislature appropriated an additional \$5.4TF for SFY 2019 for Wait List needs. The Bureau of Developmental Services (BDS) is working closely with each Area Agency to review needs and allocate the dollars to serve those currently waiting and those anticipated to be in need of services in SFY 2019. For the next report, I will have a better sense of how many people will be served with the additional resources as well as how many can be

served with any carry forward dollars. Included in this Dashboard are new tables representing Wait List activity for the Developmental Disabilities, Acquired Brain Disorder, and In Home Support clients (see attached Tables 10 and 11).

Inpatient Substance Use Disorder Treatment at SYSC:

Construction and modifications to establish the Adolescent Treatment Center at the SYSC has been delayed because of construction issues. Public Works at the Department of Administrative Services has been very involved in overseeing the contractor and construction is anticipated to be completed by the end of August.

A vendor has been selected through a competitive procurement process to run the 36-bed adolescent treatment center, and the Department anticipates a contract/lease will be brought forward to the Governor and Executive Council in August for consideration. Importantly, the Centers for Medicare and Medicaid Services has just approved the State's 1115(a) Demonstration Waiver authority from CMS to support Medicaid payments for individuals receiving Substance Use Disorder (SUD) services in an Institution for Mental Disease (IMD), which is required for facilities with more than 16 beds.

Respectfully submitted,

Jeffrey A. Meyers
Commissioner
