

Medicaid Care Management

Meet Your Health Plans

Experienced

Well Sense Health Plan is a nonprofit health plan with over 15 years of experience providing high quality health coverage to Medicaid members. With us, you will have access to a wide network of trusted hospitals, doctors, specialists, behavioral health providers and pharmacies across the State.

Personal

You will be able to choose a doctor near you who will get to know your individual healthcare needs. And if you are pregnant, or if you have a chronic condition like asthma, diabetes, heart problems, or obesity, our experienced care managers can work with you and your doctors to help you manage it.

Excellent

Well Sense is affiliated with Boston Medical Center Health Net Plan, whose Massachusetts Medicaid plan is one of America's top Medicaid plans according to the National Committee for Quality Assurance's Medicaid Health Insurance Plan Rankings, 2011-2013. Well Sense looks forward to providing the same experienced, personal, excellent service to you and your family

When you join Well Sense Health Plan, you get more than just excellent health care coverage.

You also get extra benefits to help you and your family get – and stay – healthy and safe:

New Hampshire Healthy Families' purpose is to transform the health of the community one person at a time. We do this by offering health insurance for Medicaid members and through specialty services that let us focus on your whole health.

New Hampshire Healthy Families can take advantage of over 30 years of experience serving people like you that our parent company, Centene, has. Centene serves over 4.1 million members across 22 states. By delivering that healthcare locally, our members are also our family, friends, and neighbors. This experience allows us to offer many NO COST Extra Benefits.
