Re: Notice of Commencement of Community Engagement Program

Dear Director Traylor:

In accordance with Paragraph 18 of the Special Terms and Conditions of New Hampshire's Granite Advantage Health Care Program Waiver (Waiver #11-W-00298/1) issued on November 30, 2018, I am providing the Centers for Medicare and Medicaid Services with notice that the state's Community Engagement Program will commence on March 1, 2019. The 75-day notice period specified under STC 23 will commence on that day.

We look forward to working with you and CMS staff on implementation of the program and are prepared to review all the steps we are taking to ensure beneficiary education and awareness of the community engagement program, as well as all of the assistance the Department is providing to beneficiaries with respect to both qualifying activities and exemptions.

Sincerely,

Jeffrey A. Meyers
Commissioner
