Notes: Non-NHHPP excludes refugees and those beneficiaries without full Medicaid coverage who only have Medicare savings plan or family planning coverage  
 CHIP and Non-CHIP children are presented on separate rows because of the higher federal financial participation for the CHIP group  
 Where age and category are not in agreement, category was given precedence  
 End of month totals will not match beginning of month totals in any health plan focused reporting because of members with in-and-out spend down eligibility that builds throughout month as deductibles are met

Notes: Non-NHHP excludes refugees and those beneficiaries without full Medicaid coverage who only have Medicare savings plan or family planning coverage  
 CHIP and Non-CHIP children are presented on separate rows because of the higher federal financial participation for the CHIP group  
 Where age and category are not in agreement, category was given precedence  
 End of month totals will not match beginning of month totals in any health plan focused reporting because of members with in-and-out spend down eligibility that builds throughout month as deductibles are met
