Practice Guidance

I am an off-duty SYSC employee and I see a youth who I know has escaped or absconded from SYSC, what should I do?
- An off-duty employee shall notify Central Control with any information about a youth escapee and shall not pursue or attempt to apprehend.

The policy speaks to after-hours episodes of absconding, why isn’t there anything about absconding episodes during business hours?
- Responding to episodes of absconding during business hours is the responsibility of the community program and Juvenile Justice Services’ field staff to which the youth is assigned.
