**PRA Disclosure Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1148. The time required to complete this information collection is estimated to average 40 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
Eligibility Groups - Mandatory Coverage
Parents and Other Caretaker Relatives

42 CFR 435.110
1902(a)(10)(A)(ii)(I)
1931(b) and (d)

Parents and Other Caretaker Relatives - Parents and other caretaker relatives of dependent children with household income at or below a standard established by the state.

☑ The state attests that it operates this eligibility group in accordance with the following provisions:

☑ Individuals qualifying under this eligibility group must meet the following criteria:

☐ Are parents or other caretaker relatives (defined at 42 CFR 435.4), including pregnant women, of dependent children (defined at 42 CFR 435.4) under age 18. Spouses of parents and other caretaker relatives are also included.

The state elects the following options:

This eligibility group includes individuals who are parents or other caretakers of children who are 18 years old, provided the children are full-time students in a secondary school or the equivalent level of vocational or technical training.

☐ Options relating to the definition of caretaker relative (select any that apply):

☐ The definition of caretaker relative includes the domestic partner of the parent or other caretaker relative, even after the partnership is terminated.

Definition of domestic partner:

☐ The definition of caretaker relative includes other relatives of the child based on blood (including those of half-blood), adoption or marriage.

Description of other relatives:

means a grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle, aunt, first cousin, nephew, or niece (including relatives of half-blood, relatives of preceding generations as denoted by the prefixes of grand, great, or great-great, adoptive parents and their relatives to the same degree as blood relatives, and spouses of the above relatives even after the marriage is terminated by death or divorce) who provides care and parental control to a dependent child

☐ The definition of caretaker relative includes any adult with whom the child is living and who assumes primary responsibility for the dependent child's care.

☐ Options relating to the definition of dependent child (select the one that applies):

☐ Have household income at or below the standard established by the state.
MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

Income standard used for this group

Minimum income standard

The minimum income standard used for this group is the state's AFDC payment standard in effect as of May 1, 1988, converted to MAGI-equivalent amounts by household size. The standard is described in S14 AFDC Income Standards.

☐ The state certifies that it has submitted and received approval for its converted May 1, 1988 AFDC payment standard.

An attachment is submitted.

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for parents and other caretaker relatives to MAGI-equivalent standards and the determination of the maximum income standard to be used for parents and other caretaker relatives under this eligibility group.

☐ The state's maximum income standard for this eligibility group is:

☐ The state's effective income level for section 1931 families under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.

☐ The state's effective income level for section 1931 families under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

☐ The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL or amounts by household size.

☐ The state's effective income level for any population of parents/caretaker relatives under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL or amounts by household size.

Enter the amount of the maximum income standard:

☐ A percentage of the federal poverty level: __________ %

☐ The state's AFDC payment standard in effect as of July 16, 1996, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.

The state's AFDC payment standard in effect as of July 16, 1996, increased by no more than the percentage increase in the Consumer Price Index for urban consumers (CPI-U) since such date, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.

☐ The state's TANF payment standard, converted to a MAGI-equivalent standard. The standard is described in S14 AFDC Income Standards.

☐ Other dollar amount
Medicaid Eligibility

Income standard chosen:
Indicate the state's income standard used for this eligibility group:
☐ The minimum income standard
☐ The maximum income standard
☐ Another income standard in-between the minimum and maximum standards allowed

There is no resource test for this eligibility group.

Presumptive Eligibility
The state covers individuals under this group when determined presumptively eligible by a qualified entity. The state assures it also covers individuals under the Pregnant Women (42 CFR 435.116) and/or Infants and Children under Age 19 (42 CFR 435.118) eligibility groups when determined presumptively eligible.

Yes ☐ No ☑

The presumptive period begins on the date the determination is made.

The end date of the presumptive period is the earlier of:

☐ The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or
☐ The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

Periods of presumptive eligibility are limited as follows:
☐ No more than one period within a calendar year.
☐ No more than one period within two calendar years.
☐ No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.
☐ Other reasonable limitation:

The state requires that a written application be signed by the applicant or representative.

Yes ☐ No ☑

☐ The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.
☐ The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

The presumptive eligibility determination is based on the following factors:
The individual must be a caretaker relative, as described at 42 CFR 435.110.

Household income must not exceed the applicable income standard described at 42 CFR 435.110.

State residency

Citizenship, status as a national, or satisfactory immigration status

The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group.

List of Qualified Entities

- A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements, and that meets at least one of the following requirements. Select one or more of the following types of entities used to determine presumptive eligibility for this eligibility group:
  - Furnishes health care items or services covered under the state's approved Medicaid state plan and is eligible to receive payments under the plan
  - Is authorized to determine a child's eligibility to participate in a Head Start program under the Head Start Act
  - Is authorized to determine a child's eligibility to receive child care services for which financial assistance is provided under the Child Care and Development Block Grant Act of 1990
  - Is authorized to determine a child's eligibility to receive assistance under the Special Supplemental Food Program for Women, Infants and Children (WIC) under section 17 of the Child Nutrition Act of 1966
  - Is authorized to determine a child's eligibility under the Medicaid state plan or for child health assistance under the Children's Health Insurance Program (CHIP)
  - Is an elementary or secondary school, as defined in section 14101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 8801)
  - Is an elementary or secondary school operated or supported by the Bureau of Indian Affairs
  - Is a state or Tribal child support enforcement agency under title IV-D of the Act
  - Is an organization that provides emergency food and shelter under a grant under the Stewart B. McKinney Homeless Assistance Act
  - Is a state or Tribal office or entity involved in enrollment in the program under Medicaid, CHIP, or title IV-A of the Act
  - Is an organization that determines eligibility for any assistance or benefits provided under any program of public or assisted housing that receives Federal funds, including the program under section 8 or any other section of the United States Housing Act of 1937 (42 U.S.C. 1437) or under the Native American Housing Assistance and Self Determination Act of 1996 (25 U.S.C. 4101 et seq.)
  - Is a health facility operated by the Indian Health Service, a Tribe, or Tribal organization, or an Urban Indian Organization
  - Other entity the agency determines is capable of making presumptive eligibility determinations:
Medicaid Eligibility

The state assures that it has communicated the requirements for qualified entities, at 1920A(b)(3) of the Act, and ☑ has provided adequate training to the entities and organizations involved. A copy of the training materials has been included.

An attachment is submitted.

1902(a)(10)(A)(ii)(I), (IV) and (IX)
1931(b) and (d)
1920

[ ] Pregnannt Women - Women who are pregnant or post-partum, with household income at or below a standard established by the state.

☐ The state attests that it operates this eligibility group in accordance with the following provisions:

☐ Individuals qualifying under this eligibility group must be pregnant or post-partum, as defined in 42 CFR 435.4.

Pregnant women in the last trimester of their pregnancy without dependent children are eligible for full benefits under this group in accordance with section 1931 of the Act, if they meet the income standard for state plan Parents and Other Caretaker Relatives at 42 CFR 435.110.

☐ Yes ☐ No

☐ MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

☐ Income standard used for this group

☐ Minimum income standard (Once entered and approved by CMS, the minimum income standard cannot be changed.)

The state had an income standard higher than 133% FPL established as of December 19, 1989 for determining eligibility for pregnant women, or as of July 1, 1989, had authorizing legislation to do so.

☐ Yes ☐ No

☐ The minimum income standard for this eligibility group is 133% FPL.

☐ Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for pregnant women to MAGI-equivalent standards and the determination of the maximum income standard to be used for pregnant women under this eligibility group.

[ ] An attachment is submitted.

The state's maximum income standard for this eligibility group is:

Medicaid Eligibility

- The state's effective income level for any population of pregnant women under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of pregnant women under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- 185% FPL

The amount of the maximum income standard is: 196% FPL.

- Income standard chosen
- Indicate the state's income standard used for this eligibility group:
  - The minimum income standard
  - The maximum income standard
  - Another income standard in-between the minimum and maximum standards allowed.

- There is no resource test for this eligibility group.

- Benefits for individuals in this eligibility group consist of the following:
  - All pregnant women eligible under this group receive full Medicaid coverage under this state plan.
  - Pregnant women whose income exceeds the income limit specified below for full coverage of pregnant women receive only pregnancy-related services.

- Presumptive Eligibility

The state covers ambulatory prenatal care for individuals under this group when determined presumptively eligible by a qualified entity.

- Yes  
- No

- The presumptive period begins on the date the determination is made.
- The end date of the presumptive period is the earlier of:
  - The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or
  - The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.
- There may be no more than one period of presumptive eligibility per pregnancy.

A written application must be signed by the applicant or representative.
Yes  ☐ No

☐ The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.

☐ The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

☐ The presumptive eligibility determination is based on the following factors:

☐ The woman must be pregnant

☐ Household income must not exceed the applicable income standard at 42 CFR 435.116.

☐ State residency

☐ Citizenship, status as a national, or satisfactory immigration status

The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group.

### List of Qualified Entities

A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements, and that meets at least one of the following requirements. Select one or more of the following types of entities used to determine presumptive eligibility for this eligibility group:

- ☒ Furnishes health care items or services covered under the state's approved Medicaid state plan and is eligible to receive payments under the plan
- ☒ Is authorized to determine a child's eligibility to participate in a Head Start program under the Head Start Act
- ☒ Is authorized to determine a child's eligibility to receive child care services for which financial assistance is provided under the Child Care and Development Block Grant Act of 1990
- ☒ Is authorized to determine a child's eligibility to receive assistance under the Special Supplemental Food Program for Women, Infants and Children (WIC) under section 17 of the Child Nutrition Act of 1966
- ☒ Is authorized to determine a child's eligibility under the Medicaid state plan or for child health assistance under the Children's Health Insurance Program (CHIP)
- ☒ Is an elementary or secondary school, as defined in section 14101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 8801)
- ☒ Is an elementary or secondary school operated or supported by the Bureau of Indian Affairs
- ☒ Is a state or Tribal child support enforcement agency under title IV-D of the Act
- ☒ Is an organization that provides emergency food and shelter under a grant under the Stewart B. McKinney Homeless Assistance Act
- ☒ Is a state or Tribal office or entity involved in enrollment in the program under Medicaid, CHIP, or title IV-A of the Act
Medicaid Eligibility

Is an organization that determines eligibility for any assistance or benefits provided under any program of public or assisted housing that receives Federal funds, including the program under section 8 or any other section of the United States Housing Act of 1937 (42 U.S.C. 1437) or under the Native American Housing Assistance and Self Determination Act of 1996 (25 U.S.C. 4101 et seq.)

☐ Is a health facility operated by the Indian Health Service, a Tribe, or Tribal organization, or an Urban Indian Organization

☐ Other entity the agency determines is capable of making presumptive eligibility determinations:

The state assures that it has communicated the requirements for qualified entities, at 1920A(b)(3) of the Act, and has provided adequate training to the entities and organizations involved. A copy of the training materials has been included.

### Presumptive Eligibility for Children

<table>
<thead>
<tr>
<th>1902(a)(47)</th>
<th>42 CFR 435.1101</th>
</tr>
</thead>
<tbody>
<tr>
<td>1920A</td>
<td>42 CFR 435.1102</td>
</tr>
</tbody>
</table>

- The state provides Medicaid coverage to children when determined presumptively eligible by a qualified entity under the following provisions:
Medicaid Eligibility

If the state has elected to cover Optional Targeted Low-Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the higher of the standard used for Optional Targeted Low-Income Children or the standard used for Infants and Children under 19 (42 CFR 435.118), for that child’s age.

If the state has not elected to cover Optional Targeted Low Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the standard used under the Infants and Children under Age 19 eligibility group (42 CFR 435.118), for that child’s age.

☐ Children under the following age may be determined presumptively eligible:

  Under age  19 ☑️

☐ The presumptive period begins on the date the determination is made.

☐ The end date of the presumptive period is the earlier of:

  The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or

  The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

☐ Periods of presumptive eligibility are limited as follows:

  ☜ No more than one period within a calendar year.

  ☜ No more than one period within two calendar years.

  ☜ No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.

  ☜ Other reasonable limitation:

The state requires that a written application be signed by the applicant, parent or representative, as appropriate.

☐ Yes  ☑️ No

☐ The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.

☐ The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

☐ The presumptive eligibility determination is based on the following factors:

  ☐ Household income must not exceed the applicable income standard described above, for the child’s age.

  ☑️ State residency

  ☐ Citizenship, status as a national, or satisfactory immigration status

☐ The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group.
Medicaid Eligibility

List of Qualified Entities

A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual’s household income and other requirements, and that meets at least one of the following requirements. Select one or more of the following types of entities used to determine presumptive eligibility for this eligibility group:

- Furnishes health care items or services covered under the state's approved Medicaid state plan and is eligible to receive payments under the plan
- Is authorized to determine a child's eligibility to participate in a Head Start program under the Head Start Act
- Is authorized to determine a child's eligibility to receive child care services for which financial assistance is provided under the Child Care and Development Block Grant Act of 1990
- Is authorized to determine a child's eligibility to receive assistance under the Special Supplemental Food Program for Women, Infants and Children (WIC) under section 17 of the Child Nutrition Act of 1966
- Is authorized to determine a child's eligibility under the Medicaid state plan or for child health assistance under the Children's Health Insurance Program (CHIP)
- Is an elementary or secondary school, as defined in section 14101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 8801)
- Is an elementary or secondary school operated or supported by the Bureau of Indian Affairs
- Is a state or Tribal child support enforcement agency under title IV-D of the Act
- Is an organization that provides emergency food and shelter under a grant under the Stewart B. McKinney Homeless Assistance Act
- Is a state or Tribal office or entity involved in enrollment in the program under Medicaid, CHIP, or title IV-A of the Act
- Is an organization that determines eligibility for any assistance or benefits provided under any program of public or assisted housing that receives Federal funds, including the program under section 8 or any other section of the United States Housing Act of 1937 (42 U.S.C. 1437) or under the Native American Housing Assistance and Self Determination Act of 1996 (25 U.S.C. 4101 et seq.)
- Is a health facility operated by the Indian Health Service, a Tribe, or Tribal organization, or an Urban Indian Organization
- Other entity the agency determines is capable of making presumptive eligibility determinations:

The state assures that it has communicated the requirements for qualified entities, at 1920A(b)(3) of the Act, and provided adequate training to the entities and organizations involved. A copy of the training materials has been included.

An attachment is submitted.

#### Former Foster Care Children
- Individuals under the age of 26, not otherwise mandatorily eligible, who were on Medicaid and in foster care when they turned age 18 or aged out of foster care.

**The state attests that it operates this eligibility group under the following provisions:**
- Individuals qualifying under this eligibility group must meet the following criteria:
  - Are under age 26.
  - Are not otherwise eligible for and enrolled for mandatory coverage under the state plan, except that eligibility under this group takes precedence over eligibility under the Adult Group.
  - Were in foster care under the responsibility of the state or Tribe and were enrolled in Medicaid under the state's state plan or 1115 demonstration when they turned 18 or at the time of aging out of that state's or Tribe's foster care program.

  The state elects to cover children who were in foster care and on Medicaid in any state at the time they turned 18 or aged out of the foster care system.

  - Yes
  - No

The state covers individuals under this group when determined presumptively eligible by a qualified entity. The state assures it also covers individuals under the Pregnant Women (42 CFR 435.116) and/or Infants and Children under Age 19 (42 CFR 435.118) eligibility groups when determined presumptively eligible.

- Yes
- No

2101(f)-like children

☐ Income standard used

☐ Minimum income standard

The minimum income standard for this classification of children must exceed the lowest income standard chosen for children under this age under the Infants and Children under Age 19 eligibility group.

☐ Maximum income standard
Medicaid Eligibility

No income test was used (all income was disregarded) for this classification either in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

☐ Yes  ☐ No

The state's maximum standard for this classification of children is no income test (all income is disregarded).

☐ Income standard chosen

Individuals qualify under this classification under the following income standard:

☐ This classification does not use an income test (all income is disregarded).

☐ Another income standard higher than the minimum income standard.

New reasonable classifications covered

If the state has not elected to cover the Adult Group (42 CFR 435.119), it may elect to cover additional new age groups or reasonable classifications that have not been covered previously. If the state covers the Adult Group, this additional option is not available, as the standard for the new age groups or classifications is lower than that used for mandatory coverage.

The state does not cover the Adult Group and elects the option to include in this eligibility group additional age groups or reasonable classifications that have not been covered previously in the state plan or under a Medicaid 1115 Demonstration. Any additional age groups or reasonable classifications not previously covered are restricted to the AFDC income standard from July 16, 1996, not converted to a MAGI-equivalent standard.

☐ Yes  ☐ No

☐ There is no resource test for this eligibility group.

Eligibility Groups - Options for Coverage
Children with Non IV-E Adoption Assistance

42 CFR 435.227
1902(a)(10)(A)(ii)(VIII)

Children with Non IV-E Adoption Assistance - The state elects to cover children with special needs for whom there is a non IV-E adoption assistance agreement in effect with a state, who were eligible for Medicaid, or who had income at or below a standard established by the state and in accordance with provisions described at 42 CFR 435.227.

☐ Yes  ☐ No

☑ The state attests that it operates this eligibility group in accordance with the following provisions:

☑ Individuals qualifying under this eligibility group must meet the following criteria:

☐ The state adoption agency has determined that they cannot be placed without Medicaid coverage because of special needs for medical or rehabilitative care;

☐ Are under the following age (see the Guidance for restrictions on the selection of an age):

☒ Under age 21
☒ Under age 20
☒ Under age 19
☒ Under age 18

☐ MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

The state covered this eligibility group in the Medicaid state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

☐ Yes  ☐ No

☑ The state also covered this eligibility group in the Medicaid state plan as of March 23, 2010.

☐ Yes  ☐ No

☐ Individuals qualify under this eligibility group if they were eligible under the state's approved state plan prior to the execution of the adoption agreement.

The state used an income standard or disregarded all income for this eligibility group either in the Medicaid state plan as of March 23, 2010 or December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

☐ Yes  ☐ No

☐ Income standard used for this eligibility group

☐ Minimum income standard

The minimum income standard for this eligibility group must exceed the lowest income standard chosen for children under this age under the Infants and Children under Age 19 eligibility group.

☐ Maximum income standard
Medicaid Eligibility

No income test was used (all income was disregarded) for this eligibility group either in the Medicaid state plan as of March 23, 2010 or December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

- Yes  - No

- No income test was used (all income was disregarded) for this eligibility group under (check all that apply):
  - The Medicaid state plan as of December 31, 2013.
  - A Medicaid 1115 Demonstration as of December 31, 2013.

The state's maximum standard for this eligibility group is no income test (all income is disregarded).

- Income standard chosen
  - Individuals qualify under this eligibility group under the following income standard, which must be higher than the minimum for this child's age:
    - This eligibility group does not use an income test (all income is disregarded).
  - Another income standard higher than both the minimum income standard and the effective income level for this eligibility group in the state plan as of March 23, 2010, converted to a MAGI-equivalent.

- There is no resource test for this eligibility group.

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1148. The time required to complete this information collection is estimated to average 40 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
### Medicaid Eligibility

</tbody>
</table>

1902(a)(10)(A)(ii)(XIV)  
42 CFR 435.229 and 435.4  
1905(u)(2)(B)

**Optional Targeted Low Income Children** - The state elects to cover uninsured children who meet the definition of optional targeted low income children at 42 CFR 435.4, who have household income at or below a standard established by the state and in accordance with provisions described at 42 CFR 435.229.

- **Yes**  
- **No**

☑ The state attests that it operates this eligibility group in accordance with the following provisions:

- Individuals qualifying under this eligibility group must not be eligible for Medicaid under any mandatory eligibility group.

- MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

The state covered this eligibility group in the state plan as of December 31, 2013, or under a Medicaid 1115 Demonstration as of March 23, 2010 or December 31, 2013.

- **Yes**  
- **No**

☑ The state also covered this eligibility group in the state plan as of March 23, 2010.

- **Yes**  
- **No**

Until October 1, 2019, states must include at least those individuals covered as of March 23, 2010, but may cover additional individuals. Effective October 1, 2019, states may reduce or eliminate coverage for this group.

- Individuals are covered under this eligibility group, as follows:
  - ☑ All children under age 18 or 19 are covered:
    - ☑ Under age 19
    - ☐ Under age 18
  - ☐ The reasonable classification of children covered is:

- Income standard used for this classification
  - ☑ Minimum income standard

  The income standard for this classification of children must exceed the lowest income standard chosen for children in the age group selected above, under the mandatory Infants and Children under Age 19 eligibility group.

  - ☐ Maximum income standard
The state certifies that it has submitted and received approval for its converted income standard(s) for this classification of children to MAGI-equivalent standards and the determination of the maximum income standard to be used for this classification of children under this eligibility group.

An attachment is submitted.

The state's maximum income standard for this classification of children (which must exceed the minimum for the classification) is:

- The state's effective income level for this classification of children under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for this classification of children under the Medicaid State Plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for this classification of children under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for this classification of children under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- 200% FPL.

- A percentage of the FPL which may exceed the Medicaid Applicable Income Level, defined in section 2110(b)(4) of the Act, but by no more than 50 percentage points.

- The state's maximum income standard for this classification of children (which must exceed the minimum for the classification) is:

  318% FPL

Income standard chosen, which must exceed the minimum income standard

Individuals qualify under the following income standard:

- The maximum income standard.

- The state's effective income level for this eligibility group under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

  If higher than the effective income level used under the state plan as of March 23, 2010, the state's effective income level for this eligibility group under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

  If higher than the effective income level used under the state plan as of March 23, 2010, the state's effective income level for this eligibility group under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

  If higher than the effective income level used under the state plan as of March 23, 2010, the state's effective income level for this eligibility group under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- If higher than the effective income level used under the state plan as of March 23, 2010, 200% FPL.

Eligibility Groups - Options for Coverage
Individuals Eligible for Family Planning Services

Individuals Eligible for Family Planning Services - The state elects to cover individuals who are not pregnant, and have household income at or below a standard established by the state, whose coverage is limited to family planning and related services and in accordance with provisions described at 42 CFR 435.214.

☑ Yes ☐ No

☑ The state attests that it operates this eligibility group in accordance with the following provisions:

☐ The individual may be a male or a female.

☐ Income standard used for this group

☐ Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for pregnant women to MAGI-equivalent standards and the determination of the maximum income standard to be used for this eligibility group.

An attachment is submitted.

The state's maximum income standard for this eligibility group is the highest of the following:

☐ The state's current effective income level for the Pregnant Women eligibility group (42 CFR 435.116) under the Medicaid state plan.

☐ The state's current effective income level for pregnant women under a Medicaid 1115 demonstration.

☐ The state's current effective income level for Targeted Low-Income Pregnant Women under the CHIP state plan.

☐ The state's current effective income level for pregnant women under a CHIP 1115 demonstration.

The amount of the maximum income standard is: 196 % FPL

☐ Income standard chosen

The state's income standard used for this eligibility group is:

☐ The maximum income standard

☐ Another income standard less than the maximum standard allowed.

☑ MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.
In determining eligibility for this group, the state uses the following household size:
- All of the members of the family are included in the household
- The state increases the household size by one
- Only the applicant is included in the household

In determining eligibility for this group, the state uses the following income methodology:
- The state considers the income of the applicant and all legally responsible household members (using MAGI-based methodology).
- The state considers only the income of the applicant.

Benefits for this eligibility group are limited to family planning and related services described in the Benefit section.

Presumptive Eligibility

The state makes family planning services and supplies available to individuals covered under this group when determined presumptively eligible by a qualified entity.
- Yes  ☐ No

The state also covers medical diagnosis and treatment services that are provided in conjunction with a family planning service in a family planning setting during the presumptive eligibility period.
- Yes  ☐ No

The presumptive period begins on the date the determination is made.

The end date of the presumptive period is the earlier of:
- The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made;
- The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

Periods of presumptive eligibility are limited as follows:
- No more than one period within a calendar year.
- No more than one period within two calendar years.
- No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.
- Other reasonable limitation:
The state requires that a written application be signed by the applicant or representative.

- Yes  
- No

☐ The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.

☐ The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

☐ The presumptive eligibility determination is based on the following factors:

☐ The individual must not be pregnant.

☐ Household income must not exceed the applicable income standard specified for this group.

☒ State residency

☒ Citizenship, status as a national, or satisfactory immigration status

The state uses entities, as defined in section 1920C, to determine eligibility presumptively for this eligibility group.

☐ These entities must be eligible to receive payment for services under the state's approved Medicaid state plan and determined by the state to be capable of determining presumptive eligibility for this group.

The types of entities used to determine presumptive eligibility for this eligibility group are:

<table>
<thead>
<tr>
<th>Name of entity</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Planned Parenthood of New England</td>
<td>☒</td>
</tr>
<tr>
<td>Family Planning Clinics</td>
<td>☒</td>
</tr>
</tbody>
</table>

☒ The state assures that it has communicated the requirements for entities, at 1920C of the Act, and has provided adequate training to the entities and organizations involved. A copy of the training materials has been included.

An attachment is submitted.

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1148. The time required to complete this information collection is estimated to average 40 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
Medicaid Eligibility

If higher than the effective income level used under the state plan as of March 23, 2010, a percentage of the FPL which may exceed the Medicaid Applicable Income Level, defined in section 2110(b)(4) of the Act, but by no more than 50 percentage points.

Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income level for this eligibility group in the state plan as of March 23, 2010.

The income standard for this eligibility group is: 518 % FPL

There is no resource test for this eligibility group.

Presumptive Eligibility

Presumptive eligibility for this group depends upon the selection of presumptive eligibility for the Infants and Children under Age 19 eligibility group. If presumptive eligibility is done for that group, it is done for this group under the same provisions.

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.
