

# New Hampshire WIC PROGRAM APPROVED FORMULAS

## Standard Contract Infant Formulas

The New Hampshire WIC Program provides either, **Abbott Similac Advance** and **Similac Soy Isomil\***, as the standard iron-fortified milk and soy-based formulas for an infant's first year. **Similac Sensitive** or **Similac Total Comfort** are additional milk-based formulas available per parental choice.

### Similac Advance

### Similac Soy Isomil (soy-based)\*

### Similac Sensitive

### Similac Total Comfort

\* Medical documentation is required for premature infants needing Similac Soy Isomil.

## NH WIC Special Formulas

Medical documentation is needed for all NH WIC Special Formulas.
