Re: Annual Report on Opioid Abatement Trust Funding

Dear Commissioner Weaver,

In accordance with RSA 126-A:84.IV., I am submitting this report regarding Coös County's year to date distribution of \$72,001.59. These payments were received by the County and will be used to offset the costs of providing medicated assisted treatment, case management and substance abuse programming to offenders of the Corrections Department. The Department of Corrections is launching an in-house substance abuse treatment program. This program will include evidence-based treatment models and be available to both sentenced and pre-trial offenders.

Please let me know if you have any questions.

Sincerely,

Carrie Klebe
Director of Finance
