RE: 2nd Opioid Litigation Settlement Fund Distribution

Deputy Attorney General Boffetti,

The Town of Derry received the 2nd Opioid litigation settlement in the amount of \$19,252.30 in June 2022 from the State of New Hampshire. In 2021, the Town's governing body established a separate expendable trust fund to assist with accounting, investment and distribution of all proceeds received from settlements and judgements related to this litigation. The June receipt was placed in this fund in August 2022.

To date, none of these funds have been spent on Opioid mitigation as outlined in RSA-A:86. We continue to develop a mediation plan with the Town's impacted departments and health partners and hope to have that plan finalized soon.

Unless otherwise instructed, we will continue to file updated progress reports with your office.

Please let me know if you have any questions or require additional information.

Sincerely,

Mark A. Fleischer
