Goals

Goals for 5/20 Meeting

1. Continue discussion from 5/17 on EFC Services
2. Begin discussing other service schedules of the cost report as time permits

This Rate Setting Work Group is open to the public. Members of the public who are not on the Rate Setting Work Group can listen to the group’s discussions but will not be able to ask questions or participate in discussions occurring between Work Group members.

This structure ensures that the Department can engage a diverse group of stakeholders in substantive dialogue while also providing transparency and general updates to the general public.

If you are a member of the public and have questions about the Rate Setting Work Group and/or its work, please contact us at BDSRateStructureWorkgroup@dhhs.nh.gov and we will respond as soon as possible.
