REGULATORY GUIDANCE:	This memo is a communication tool circulated for informational purposes only. The goal is to provide information and guidance to the individuals to whom it is addressed. The contents of this memo and the information conveyed are subject to change. This communication is not intended to take the place of or alter written law, regulations or rule.

MEMORANDUM SUMMARY
The purpose of this memorandum is to notify all Social Service Providers under contract with the Bureau of Elderly and Adult Services (BEAS) of critical information relating to the end of 2024 State Fiscal Year (SFY24) and 2025 State Fiscal Year (SFY25) payment or financial cycle schedule.

The Department of Health and Human Services, Division of Long Term Supports and Services, Bureau of Elderly and Adult Services announces the following regarding Social Service Provider payments. BEAS is notifying you of these changes to enable your agency to plan accordingly:

1. The last financial cycle in SFY24 will be June 26, 2024. Submit invoices by June 21, 2024 to be included in this payment cycle.
2. There will be no financial cycle run on June 27, 2024. Payments are temporarily suspended as part of the normal business operations that occur at the beginning of every fiscal year. This suspension is necessary in order to align the State's financial payment system, NH FIRST, and the BEAS Options System for processing social service payments, to accommodate financial information for the next SFY. The vendor services and contracts impacted by the

setup process include those services funded through the Older Americans Act (Title III) and the Social Services Block Grant (Title XX).

3. Payments will resume with the July 3, 2024 financial cycle and will include adjudicated vendor service claims for all dates of service and contract service claims with dates of service June 30, 2024 and prior **only**.
4. The financial cycle normally scheduled for July 18, 2024 will be moved to July 16, 2024 due to NH FIRST availability.
5. Beginning August 1, 2024, adjudicated contract service claims with dates of service July 1, 2024 and after will be processed for payment.
6. **All claims with dates of service June 30, 2024 and prior must be submitted for payment by August 31, 2024.**
7. Beginning September 1, 2024 and through the remainder of SFY 2025, **only** current year adjudicated claims, or claims with dates of service July 1, 2024 and after will be processed.
8. Agencies in need of requesting duplicate invoices may contact:

The Data Management Unit
