## *Action Plan Strategy Funding Sources Crosswalk*

The following Crosswalk lists activities related to the strategies outlined in the NH Action Plan to Address Alcohol and other Drugs and the sources of funds for those activities. Please consider the following when reviewing:

- 1. The Crosswalk is a good faith effort to demonstrate which funding sources, managed by DBH, support the identified activities;*
- 2. It does not capture all NH DHHS contracted activities or funding sources, and*
- 3. This crosswalk does not reflect all of the activities that are being implemented throughout NH and across state departments relative to the Action Plan.*
