**Note: Medicaid Public Notices**

The Department of Health & Services is meeting CMS’ public notice requirement by publishing State Plan Amendment (SPA) Public Notices on a dedicated [DHHS Webpage](#) in accordance with [CMS’ Informational Bulletin](#), which outlines procedures states must follow when making changes to provider payments under the Medicaid State Plan. Therefore, the Division of Medicaid Services is no longer publishing SPA public notices in the Union Leader and Nashua Telegraph, at a significant savings to the Department.
