Subject: Opioid Litigation Settlement Fund Distribution

Good Morning Lori,

Strafford County received the 15% share of the Opioid Abatement Trust Fund Distribution in the amount of \$37,273.19 today. According to RSA 126-A:84, we are required to provide a report to the NH DHHS on how we spent these funds by 9/1/23. When I searched the State of NH site under the Opioid Abatement Trust Fund link, I did not find any mechanism or information as to how to report this use of funds. I went back to the Attorney General's office and they stated that I should send the report to you.

Strafford County used \$37,273.19 of our distribution for the purpose of the Medication Assisted Treatment (MAT) within our House of Corrections. Please let me know if there is any additional information that you need.

Thank you,

Diane A. Legere
