RE: 4th Opioid Litigation Settlement Fund Distribution report

Deputy Attorney General Boffetti,

Since our last report dated 7/17/23 was filed, the Town of Derry has received an additional \$132,601.85 in Opioid Litigation Settlement Fund distributions. To date, the total of funds received is \$292,925.28. Except for the most recent receipt of \$113,119.94, all other receipts have been placed in the Town's separate expendable trust fund which as of 6/30/24, had a balance of \$193,580.99, interest earnings included. The \$113,119.94 will be placed in the trust fund prior to 8/31/24.

To date, none of these funds have been spent on Opioid mitigation as outlined in RSA-A:86. Now, however, that we have a much clearer understanding of the potential funds that we may receive in the future, we are in the process of bringing together the Town's impacted departments and health partners to formalize and implement a feasible mediation plan.

Please let me know if you have any questions or require additional information.

Sincerely,
